

EPSHA SINGH

Frontend Developer | UI Developer | JavaScript Enthusiast

epshta.t2006@gmail.com | 8401164872 | [LinkedIn](#) | [GitHub](#) | Dehradun, India

Career Objective

Frontend Developer proficient in HTML, CSS, JavaScript, DOM manipulation, and responsive web design. Eager to contribute to dynamic teams, enhance UI performance, and develop user-centric web applications using best coding practices, debugging, and version-controlled workflows.

Education

B.Tech in Computer Science & Engineering | Uttaranchal Institute of Technology (2024 – 2028)

CGPA: 9.80 (till current semester)

Higher Secondary Certificate (HSC) | Vision International School of Excellence (2023-2024)

Percentage: 95%

Secondary School Certificate (SSC) | Lions International Academy (2021-2022)

Percentage: 94.8%

Technical Skills

Languages: C, C++, Java, Python

Frontend: HTML5, CSS3, JavaScript, React.js (Basics), Responsive Design, DOM Manipulation

Tools: Git, GitHub, Netlify, VS Code

Database: MySQL

Workflow: Version Control, Debugging, UI Optimization

Soft Skills

Communication, Teamwork, Adaptability, Time Management, Self-Motivation

Academic Projects

Amrutam – Restaurant Website ([Live Demo](#) | [Repository](#))

TripTadka – Travel Agency Website ([Live Demo](#) | [Repository](#))

Furnisoul – E-commerce Frontend ([Live Demo](#) | [Repository](#))

GlowSkin – Product Landing Page ([Live Demo](#) | [Repository](#))

Internship Experience

Frontend Development Intern - ScaleZix (Remote | 2025)

- Improved UI layout stability by **20%** through optimized HTML, CSS, and modular JS.
- Enhanced **cross-device responsiveness** using adaptive breakpoints and layout refinements.
- Assisted in **debugging and refactoring**, reducing redundant code and improving maintainability.
- Used **Git/GitHub** for version control and collaborative development.

Achievements

- **Top 5 Finalist - Srijan Tech Hackathon, IIFM Bhopal**
Ranked among the top 5 teams in a national-level innovation hackathon.
[Certificate \(View\)](#)
- **Participant - 'Snap Syntax' Coding Competition, IIT Roorkee**
Developed innovative solutions to intricate coding problems during the "Snap Syntax" competition at IIT Roorkee, distinguishing among top university participants.
[Certificate \(View\)](#)

Interests

Designing UI Layouts, Public Speaking, Problem Solving
